Furniture designer *Alice Tacheny* is showcasing her latest stunning modern woodwork at Larkspur's *Erica Tanov Marin* shop. Tacheny's individually crafted pieces of furniture are sleek, clean, and feature the beauty of the wood. She typically uses domestic hardwoods, like American walnut and rift white oak, and joinery that adds a subtle artistic touch. Along with furniture, *Erica Tanov Marin* is also exhibiting Tacheny's brass, leather, and concrete home accessories. *Opening reception is September 27 from 6pm to 9pm, 2415 Larkspur Landing.*
